

SuperVision

Driver Coach

Reduce collisions, injuries,
operating costs & liability
exposure through online
video-based driver training

Driver training that focuses
on safe driving behavior

Driver Coach's library of driver safety training modules, for heavy duty trucks or light duty vehicles, is designed to provide drivers with short, single topic focused training material that is delivered on an automated schedule. The program reinforces safe driving awareness and keeps that message at the forefront of a driver's mind.

Did you know?

50%

fleet drivers are more likely to
be hurt or killed in road crashes

\$72B

cost of motor vehicle accidents to
employers in 2017

53%

of fleet vehicle accidents caused
employees to miss work
